## **CONTENTS**

|  |         |
|--|---------|
| <b>Editorial Board</b>   | iv      |
| <b>From the Editor-in-Chief</b>  | v       |
| <b>On the Application of the Nearest Neighbour Classifier Algorithm to Character Pattern Recognition</b><br>Bedole Omolu <sup>1</sup> and Bamidele Oluwade <sup>2</sup><br><sup>1</sup> % Department of Computer Science and Mathematics,<br>Lagos State University, Lagos, Nigeria<br>&<br><sup>2</sup> Department of Computer Science,<br>Faculty of Communication and Information Sciences,<br>University of Ilorin, Kwara State, Nigeria | 1 - 17  |
| <b>Acquisition Process for Electronic Journals in Academic Libraries</b><br>Sadiat Adetoro Salau <sup>1</sup> and Bamidele Oluwade <sup>2</sup><br><sup>1</sup> University Library,<br>Federal University of Technology, Minna, Nigeria<br>&<br><sup>2</sup> Department of Computer Science,<br>Faculty of Communication and Information Sciences,<br>University of Ilorin, Kwara State, Nigeria   | 18 - 23 |
| <b>Performance Measurement of Convolutional Neural Network using Knowledge Discovery in Databases (KDD) Dataset</b><br>Tinke Omolewa Oladele and Ifetayo Remilekun Agboola<br>Department of Computer Science,<br>Faculty of Communication and Information Sciences,<br>University of Ilorin, Ilorin, Nigeria   | 24 - 36 |

|  |         |
|--|---------|
| <b>Extraction of Pairs of Ailments Treatable by a Set of Medicinal Plants<br/>using an Apriori Algorithm</b>                       | 37 - 50 |
| Victoria I. Yemi-Peters and Bamidele A. Oluwade<br>Department of Mathematical Sciences,<br>Kogi State University, Anyigba, Nigeria |         |
| <br>Call for Papers  | <br>51  |
